

Busting through Growth Ceilings

Strategy

The deliberate choices and actions that guide your organization toward its 3-5 year goals.

Strategy answers: WHY we exist. WHERE we'll compete. HOW we'll win. WHAT we'll prioritize.

Strategy Ceilings:

Culture

How your organization collectively thinks, acts, + interacts.

Culture Ceilings:

Leadership

Self-awareness around how you think, act, and interact, and how those actions and behaviors impact everyone around you.

Leadership Ceilings:

Small Group Conversations

Strategy

Culture

Leadership

Identify from the Busting Through Growth Ceilings overview the two specific ceilings that need the most improvement, why you chose those and what the action plan is to bust through.

Ceiling 1:

Why did I select this ceiling?

1.

2.

3.

What is the action I can take to start the improvement journey to bust through this ceiling?

Ceiling 2:

Why did I select this ceiling?

1.

2.

3.

What is the action I can take to start the improvement journey to bust through this ceiling?
